<b>Location of Field Trip:</b>	Cotopaxi Mine near Cotopaxi, CO
<b>Limitation on Number of Participants or Other Issues:</b>	This Field Trip is limited to a maximum of 20 participants. Please sign up with Marg. She will require a phone number and e-mail address for each participant.
<b>Brief Description of Field Trip:</b>	This field trip is similar to the Sedalia Copper Mine trip except the "material is more massive".
<b>Are there any Special Costs such as Admission Charge or Charge for Transportation on a Bus:</b>	None.
<b>Collectible Materials, if any:</b> <b>NOTE: SPECIFY IF COLLECTING CANNOT BE DONE</b>	Almandite-garnet crystals, as well as staurolites, actinolite, asbestos, epidote, corundum, spinel, hornblende, chlorite minerals, chrysocolla, and malachite.
<b>Est. Time of Return to Original Meeting Place:</b>	4:30 PM
<b>Vehicle Requirements, if any:</b>	It is recommended that you have a high clearance 4WD vehicle.
<b>Physical Limitation Concerns, Including Accessibility to Handicapped Individuals:</b>	The mine is at about 9,000 feet. You can collect at the foot of the hill, but if you decide to be more aggressive it will take more ability to deal with uneven terrain and the climbing of a relatively steep dirt road.
<b>Equipment or Tools Recommended or Required:</b>	You will need hard rock tools including hammer, chisels, safety glasses, shovels, picks, leather gloves, and a collection container. Do not forget food, lots of water, sunscreen, sun glasses, a hat and good hard shoes.
<b>Availability of Water and Sanitary Facilities:</b>	There is no water and there are no sanitary facilities near the mine.
